March 27, 2008

I received the Report and Recommendations of Magistrate Judge Francis on March 25, 2008. The letter was mailed to update Corr. Fac. A Facility petitioner notify the Court that he's no longer located there. The mail was forwarded to Great Meadows Correctional Facility on March 25, 2008 at which time I received it. (See copy of the envelope sent by the Court which shows the date the Facility received the mail) attached herein.

I object to every and all Report and Recommendation, Findings and Conclusions. I further request this Court grant me an extension of time to file my objections and Memorandum of Law until May 11th, 2008.

Petitioner is only able to visit the law library twice a week for 3 1/2 hours per day therefore needing

A reasonable amount of time to file his objection.

Also, on January 21, 2008, I serve upon this Court my hand written Reply to the State Response and served same upon the district attorney.

From the Court docket sheet sent to me today March 27, 2008, it appears this Reply to Response was not filed by the Court and from a reading of Magistrate Judge Francis Report and Recommendation, it is clear he failed to consider the Reply to Response.

I am forwarding a copy of this Reply to Response directly to Your Honor's chambers and requesting it be considered in the adjudication of this petition for Writ of Habeas Corpus. (Reply to Response attach herein).

Petitioner was giving the 21st of January to Reply which I did comply with.

For the foregoing reasons I request this motion and request be granted in all respect.

Respectfully Requested
 Daniel Baker
